Mary Faddis Candidacy Statement

Why would you like to serve on the Board of Directors?

We bought our home in 2022. I have enjoyed the neighborhood. I was recently laid off from my recruiting job and will be able to dedicate time to the Parkview TOA. I take pride in this neighborhood and would be able to build engagement with other residents.

Please list previous board position and/ or experience:

I have not served on an TOA/HOA before applying to this position. However, I have managed staffing firm offices, talent acquisition and training teams. My strengths are building strong rapport, strong attention to detail and a great sense of urgency on resolving issues/concerns. I have handled the difficult conversations. I was an HR Manager for a large grocer in DFW too.

Derrick Sullivan Candidacy Statement

Why would you like to serve on the Board of Directors?

I am interested in ensuring that the townhomes and common areas are well maintained to create value for the association and surrounding community.

Please list previous board position and/ or experience:

I have no prior experience; however, I have lived in neighborhood for a year. During that time I have brought several concerns to the association manager to address. I also have a background in financial and business management.

Issues you feel need to be addressed by the Board of Directors in your community:

Care of common areas, landscaping, and exterior building facades. Assistance of homeowners who don't keep their yards mowed. Last, but not least, there have been several encounters with rodents by myself and neighbors. I would like to see action taken to address that concern before the problem worsens.
